General Expectations of Leaders

IT IS THE EXPECTATION OF CYC THAT ALL LEADERS WILL:

- **Be a Christian** – You cannot lead others where you haven't been yourself! (JOHN 17:3)
- **Have the attitude of a servant** – Think of the needs of others and how you might help to meet them. (COLOSSIANS 3:23; MARK 10:45)
- **Have a desire to learn and grow** – There is always room for improving our gifts and abilities. None of us have 'arrived'! (1 TIMOTHY 4:15)
- **Respect the Key Leaders** and follow their leadership. Aim to make their task a pleasant one. (HEBREWS 13:17)
- **Respect the other members of the camp team**, valuing their contribution and endeavouring to work in harmony with them. (COLOSSIANS 3:12-14)
- **Uphold the policies of the camp**, whether set by the campsite concerned, by the organising body or by the camp director. (HEBREWS 13:17)
- **Attend pre camp meetings wherever possible** so as to contribute to the planning process. If you cannot attend, advise the Camp Director and contact them after the meeting for an update of plans and action points.
- **Be loving and patient towards campers.** The aim is to create an atmosphere which encourages growth and change, not by force, but as a choice on the part of the camper. Do all you can to allow that change to occur. (GALATIANS 5:22; 1 THESSALONIANS 5:14)
- **Be discerning in their conduct towards campers and other leaders**, avoiding conduct of any sort which could bring themselves and the camp organisers into disrepute. (1 THESSALONIANS 5:22)
- **Have fun with campers!** Leaders who are too serious and intense are the 'wet blanket' of any camp. Christians who can laugh and engage in healthy recreation with the campers are vital in the task of evangelism. (ECCLESIASTES 3:4)

GUIDELINES FOR LEADERS

- 1. REMEMBER TO STAY WITH YOUR GROUP AS MUCH AS POSSIBLE. IT IS A PRIVILEGE TO BE A LEADER IN A GROUP (AND ALSO A LOT OF FUN). A PART OF THIS PRIVILEGE IS THAT YOU REMAIN RESPONSIBLE FOR EACH MEMBER OF YOUR GROUP.**
- 2. PLEASE DO NOT DISCUSS OTHER LEADERS / CAMPERS WITH OR IN FRONT OF CAMPERS. IF YOU HAVE AN ISSUE WITH OTHER LEADERS, PLEASE TALK TO THEM ABOUT IT AND DEAL WITH IT APPROPRIATELY.**
- 3. EACH CAMPER IS SPECIAL SO AVOID HAVING FAVOURITES - TRY TO INCLUDE ISOLATES.**
- 4. AFFECTION CAN BE MISINTERPRETED, BE RESPONSIBLE AND SENSIBLE.**
- 5. IF YOU CAN'T DEAL WITH A MATTER TAKE IT TO THE CAMP DIRECTOR - THAT IS WHAT THEY ARE THERE FOR.**
- 6. SUPPORT THE CAMP BY BEING ON TIME AND ENTHUSIASTIC. ENCOURAGE THE CAMPERS TO PARTICIPATE AND MAINTAIN ORDER IN YOUR GROUP.**
- 7. BE A ROLE MODEL - THE CAMPERS WILL MODEL YOUR BEHAVIORS AND ATTITUDES.**
- 8. START AND FINISH THE DAY THE PRAYERFUL WAY.**
- 9. AT MEAL TIMES LEADERS SHOULD BE AWARE OF THEIR GROUPS' BEHAVIOUR AND SIT ACCORDINGLY.**
- 10. SMELLY CAMPERS AREN'T NICE. PLEASE ENSURE DAILY SHOWERS HAPPEN AND MONITOR CLEAN CLOTHES. CHECK FOR WET BEDS.**
- 11. IT IS BETTER TO ENCOURAGE GOOD BEHAVIOUR THAN FOCUS ATTENTION ON NEGATIVE BEHAVIOUR. A GOOD RULE TO FOLLOW IS 5 ENCOURAGING WORDS SHOULD BE USED FOR 1 NEGATIVE WORD (OR TELLING OFF). TRY AND FOLLOW THIS RATIO WITH ALL OF YOUR CAMPERS. IT REALLY MAKES YOU LOOK OUT FOR THE THINGS THEY DO WELL.**

SPIRITUAL PREPARATION

In the weeks leading up to camp, please ask yourself the following questions,

Is my relationship with God the best that it can be?

Are there sins that I need to confess?

WHAT MUST I WORK ON TO KEEP THIS RELATIONSHIP OPEN AND HONEST?

What do I want to achieve during the week?

Why do I want to be a Cabin Leader?

Is there anything that might stand in the way of achieving these goals?

Please do not neglect your spiritual health. Ensure that you are taking the time out to spend with God through both bible reading and prayer and having fellowship with other Christians.

Appropriate Behaviour on Camp

Previous sections of this Training Manual make clear the expectations of your role as cabin leader.

Remember that as a leader on camp, all of your actions are on display to the campers. Think about the way you speak to people (campers and other leaders), your attitude, the amount of effort you put into the things you do. Does this present a positive or negative image of Christ?

*Let your light shine before men, that they may see your good deeds and praise your father in heaven
Matthew 5:16*

Rules apply to both leaders and campers, so please lead by example.

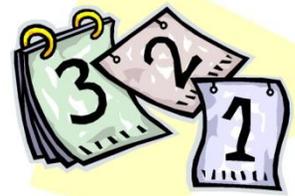

It is important to deal with any issues that may crop up quickly. The camp director and the Support Workers are there as your support team. If there are any situation where you are unsure what to do, please speak to one of these people.

- CAMPER TRANSPORT -

- No campers are to be driven, during the course of a camp, by Probationary Drivers, drivers under suspension or unlicensed drivers. No vehicle is to be loaded beyond the number of seat belts provided which must be correctly fitted and worn. The Camps Co-ordinator must be reasonably satisfied concerning the apparent road worthiness of the vehicle concerned. Car owners may be reimbursed for fuel use.

- If a camper does not have a bible of their own, and would like one, speak to the CYC Support Worker about the possibility of getting this camper one.

THE DAY TO DAY ROLE OF A CABIN LEADER

Discussion Time / Quiet Time

- Give all campers the opportunity to be involved. Do not let one camper dominate the discussion
- Never force a camper to read aloud or pray aloud – ask for volunteers

- Be aware of how many campers you are with during this time (For every leader in a particular area there should be at least 3 or 4 campers)

CAMPER ROMANCES

The development of romantic attachments at camp should not be encouraged. A Christian standard should be modelled in such relationships.

Standards for better Camping

CAMPER BEHAVIOUR

THE DECISION TO SEND A CAMPER HOME BECAUSE OF BEHAVIOURAL PROBLEMS WILL BE MADE BY CONFERENCE BETWEEN THE CAMP DIRECTOR AND THE SUPPORT WORKERS

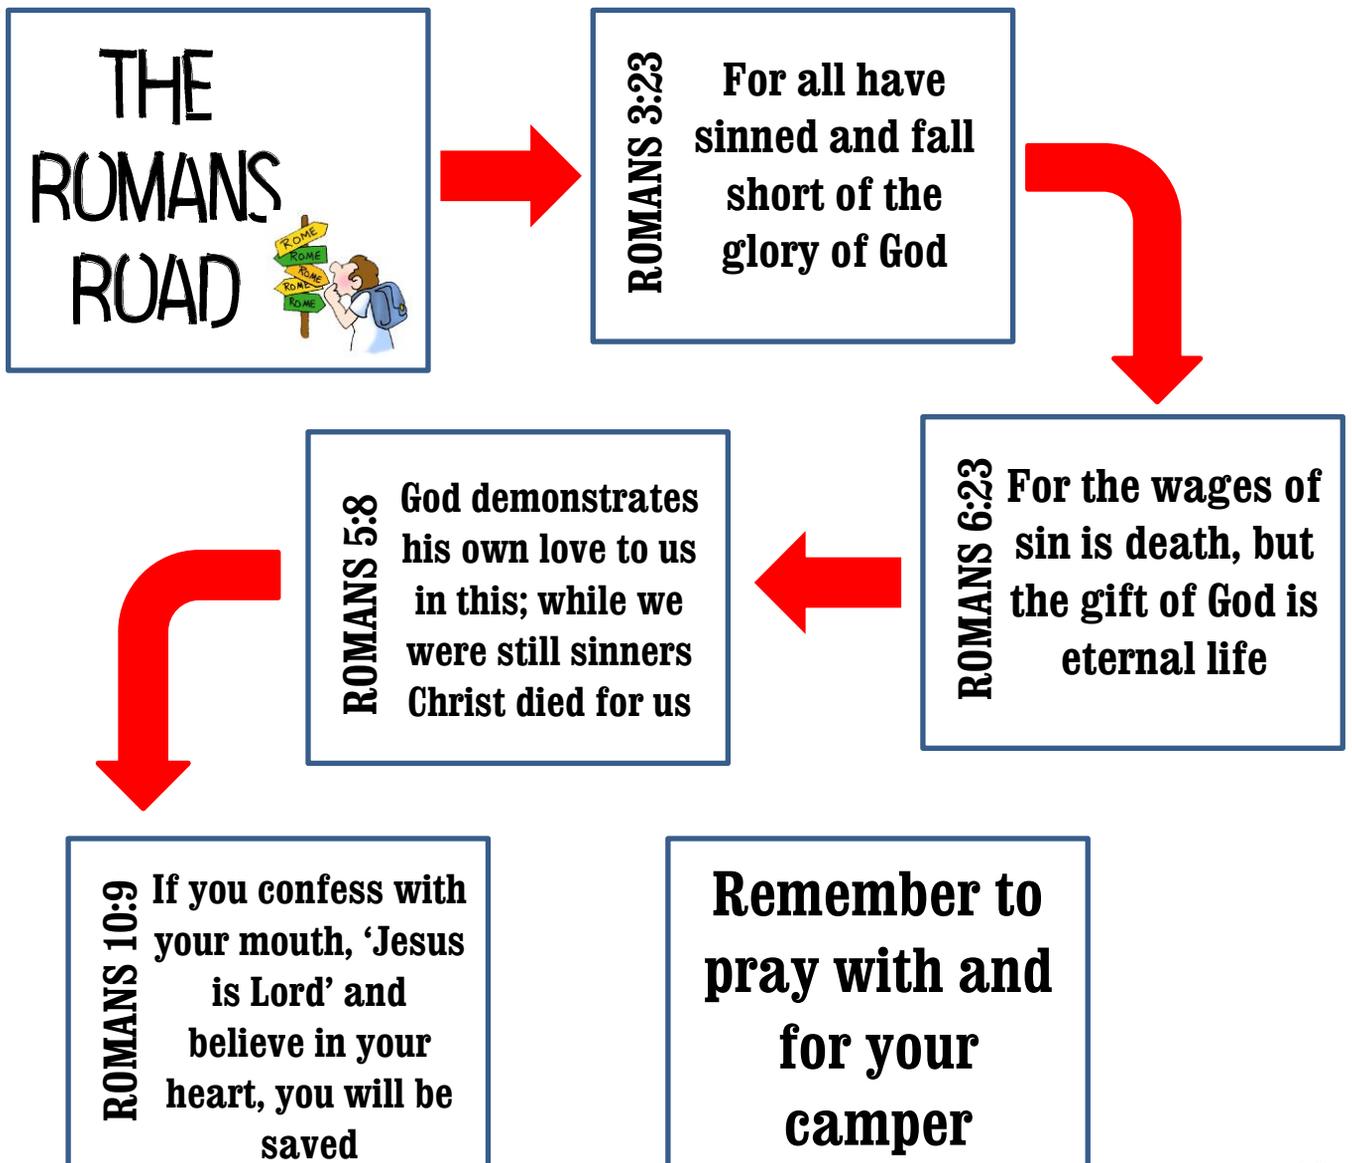

As a cabin leader we expect you to encourage campers to behave appropriately. However it is not your responsibility to give campers extra duties, contact parents or send campers home. If campers continue with inappropriate behavior after you have asked for this behavior to stop, please advise the Camp Director who will decide on an appropriate course of action.

SPIRITUAL COUNSELLING

There is no one right way to share your faith with others, or leading someone to Christ.

The important thing is to ensure that campers are given an understanding of what it is to be a Christian and they are not just responding to their emotions or because they like a particular leader. Really take the time to talk with the camper. Get them to explain to you what they think it is to be a Christian. Ensure that a camper has time to think through what they have been hearing about Jesus. Make sure the decision is totally theirs.

Repentant Sinners Prayer

Lord Jesus,
Please come into my life, and be my
saviour and lord.
Please forgive my sins, and give me the gift
of eternal life.
Help me to live my life to please you,
Amen

REDEDICATION PRAYER

*Dear God, I confess that my Christian life is not what it should be.
Today I come to you, and ask your forgiveness.
I reject those things in my life that cause you pain.
I give my life again to you, and will seek to obey you in all things,
Amen*

PREPARING YOUR TESTIMONY

BEFORE

- Simply tell what your life was like before you surrendered to Christ
- What were you searching for before coming to know Christ?
- What was the key problem, emotion situation or attitude you were dealing with?
- What motivated you?
- What were your actions?
- How did you try to satisfy your inner needs?

NOW

- How has having Christ in your life made a difference?
- How has His forgiveness impacted you?
- How have your thoughts attitudes and emotions changed?
- Share how Christ is meeting your needs and what a relationship with Him means to you now
- It is important to be honest in this stage, may even be worth talking about the current challenges

No-one can argue with your personal testimony – it is YOUR experience with God. You don't need to alter it or change it for anyone. God has brought you from where you were at, to where you are now.

HOW

- How were you converted?
- Simply tell the events and circumstances that caused you to consider Christ as the solution of your searching
- Take time to identify the steps that brought you to the point of trusting Christ
- Where were you?
- What was happening at the time?
- What people or problems influenced your decision?

SOME THINGS TO CONSIDER

- NUMBER 1 – God focused
- NUMBER 2 – Keep it focused (short and to the point)
- NUMBER 3 – Honesty (Be brave!)
- NUMBER 4 – Avoid speaking Christianese (words such as repent, gospel, saved and born again can be confusing)
- NUMBER 5 – Practice makes perfect, work on being clear with what you are trying to communicate
- NUMBER 6 – Think about who your audience is and what they will relate to in your story

DUTY OF CARE AND CHILD PROTECTION

Duty of care means that Christian Youth Camps has a professional responsibility (expected by the law) to ensure that risks to health and safety are avoided where possible. This will happen in various areas.

- Kitchen safety
- Site activities being covered by appropriate insurances
- Medical care (appointing a first aid officer to look after prescription and non-prescription medication and any medical need that arises)

Child Protection should be observed by following these examples.

- No girls are permitted to enter boys dorms and vice versa. This includes all adults (volunteers and staff).
- Adults with children / youth should always be in open and accountable areas.
- Each person's personal space distance should be observed and respected.
- Both volunteer leaders and camp staff have a legal responsibility to report any knowledge of an abuse situation.
- No leader is to ever physically discipline a child.

**DO NOT IN ANY
CIRCUMSTANCES
USE PHYSICAL
PUNISHMENT.**

Camper safety is at the forefront of all programming and campsite activities. As Cabin Leaders, one of your key roles is to ensure the safety of your group at all times. This means being aware of any potential risks and taking steps to avoid them. It also means not undertaking your own activities that potentially put campers in danger.

Remember that some situations are avoidable and it is the Cabin Leader who could be held responsible if an accident occurs. Remember that parents and guardians place their children in the complete care of Christian Youth Camps, and as Cabin Leaders you are key guardians in that care.

CAMP ACCIDENTS

Director is to consult with camp First Aid Officer concerning the need for qualified medical attention.

If, in the opinion of the First Aid Officer, the camper requires further treatment, an adult nominated by the director, along with a second adult, shall take the camper to the doctor / hospital. At least 1 adult must be the same gender as the camper.

The parents/guardian should be notified as soon as practical.

The Director **MUST** complete the ACCIDENT AND INJURY REPORT form for **ALL** significant accidents. These are available in the staff room.

CAMPER COUNSELLING

Leaders must avoid situations of one on one between leaders and campers in a discrete area. The minimum ratio of campers to leaders in any situation is 1:2 (both ways i.e. 2 leaders and 1 camper or 1 leader and 2 campers) where at least 1 leader is the same gender as 1 camper. If one on one counselling / discipline is required it must be conducted in an area that is considered public and open as to avoid any situation that could bring the individual and the camp organisers into disrepute

MANDATORY NOTIFICATION

Both volunteer leaders and Christian Youth Camps Staff have a legal responsibility to report any knowledge or reasonable suspicion of an abusive situation.

We will be covering these topics in our training meeting at camp

- What does it look like to have a child focus
- What child abuse is
- How to identify it
- Why, when and how to make a notification
- How to help, support and protect a child / young person who has been abused

SEXUAL HARRASSMENT

Physical contact between leaders and campers should only be by mutual agreement. All leaders need to be aware of problems in this area and unnecessary physical contact should be avoided. The underlying principle is that all in-camp behaviour should be seen to be above reproach by everyone.

CHILD PROTECTION

No leader may strike a camper under any circumstances. Any suspected cases of child abuse must be reported to the Director who must then take appropriate action in consultation with the Support Workers and Site Manager.

It is important to always maintain a child focus. The child's needs and rights need to be the centre of what we are doing.
