

CYC Staff, Leaders and Campers follow-up Procedure

Follow-up after CYC camps can be a beneficial tool for Christian fellowship and growth. However, it needs to be done in a way in which everyone involved can feel safe and comfortable.

If Staff or Volunteers contact anyone under the age of 18 following a Camp, they must:

- Adhere to the *CYC Responsible Use of Social Media Procedure* and,
- Gain written permission from the Camper's Guardian if they wish to make contact outside of social media. For example, by letter, telephone, email or face to face.

This procedure should be read in conjunction with our *CYC Responsible Use of Social Media Procedure*.
