YOUTH CAMPS

AGES 9-12 & 13-17

El Shaddai
Camping Centre

What are our Youth Camps?

Most of our youth camps are four-day camps that run during the school holidays.

Our Kids Camps are for those aged 9-12 and our Teens Camps are for those aged 13-17.

These camps are a great opportunity for young people to meet new friends and have new experiences.

Campers will enjoy experiences such as bonfires, and water sports along with activities like giant swing, archery, rock climbing, crazy games and much more!

Every camp is a fantastic opportunity to have new experiences, make friends and have fun learning more about God through our study sessions!

Onsite Camps at the El Shaddai Camping Centre

Each camp is staffed with a director, concerned with the overall running of the camp and a program director who ensures an enjoyable program. There are cabin leaders who care for small groups of campers, as well as a study leader who challenges and discusses relevant life topics.

Early bird booking for our onsite camps cost \$210 each.

Off Site Camps

Each year we run two off site camps; Outdoors Camp and Adventure Camp for those aged 13-17.

For these camps we go tent camping at various locations which is a great opportunity to get amongst the outdoors and experience nature. Activities vary each year but we like to offer a range such as bushwalking, sightseeing, biking, canoeing, rock climbing, swimming and much more!

Early bird bookings for these camps cost \$300 each.
