

**A traineeship with CYC  
is a great opportunity to put  
your faith into action and serve  
God in a practical setting**

The program runs for 1 year, with the opportunity to continue working in the following years. Trainees will gain a Certificate III in Outdoor Leadership.

A traineeship is considered a full time position. Depending on family circumstances, trainees may also be eligible for a youth allowance or living away from home allowance.

Campsite staff will also assist in the professional development of the trainees.

# Nationally accredited training in Certificate III in Outdoor Leadership

## Our aim is to help our trainees to:

- Grow in and take a personal ownership of their faith
- Develop in their leadership skills and abilities
- Challenge and stretch them to step outside of their comfort zones to help them develop in skills and confidence
- Grow in independence through living away from home
- Learn to be a productive member in a workplace
- Be part of a team
- Develop new skills and qualifications
- Develop people skills through living and working with others

Our trainees are required to live onsite at our campsite in Wellington SA and be involved in both formal study (approximately 1 day per week) and various roles at the campsite such as:

- Activity assisting & instructing
- Involvement in holiday camp leadership
- Assisting in grounds maintenance tasks
- Camp hosting
- Assisting in the kitchen
- Animal Handling
- Basic administration
